L'Europe à la portée de votre entreprise.

European
Commission

smaller,
smarter,
lighter,
energyless...

Industry is requiring **more and more** in terms of functionalities to make products compact but **smarter**. This includes lighter materials, reduced resources and digitalised processes.

WHAT'S IN IT FOR YOU ?

Innovation and technology meetings drawn up in partnership with *Micronora*, *precision* and *microtechnology fair* are going **100% VIRTUAL**.

Let's be OPEN! Take time :

- to meet and discover new people, models, new ideas, innovative technologies
- to generate new projects
- to find partners
- to imagine future products, services

... **to increase YOUR BUSINESS!**

- **The event targets :**
- · Enterprises
- · Research laboratories
- · Technology organisations (RTOs)
- · Clusters
