ASSOLOMBARDA
Filiera Largo Consumo

Monguzzi is an Italian company established in 1982 specialized in veneer and ABS for edges and profiles wrapping.

Monguzzi is a family firm which has grown rapidly during the last two decades.

From our headquarters we export our products around the world. In 2017 we introduced the digital printed edges to our product range.

Nowadays we have more than 2500 references and we are constantly updating our catalogue.
