

ITALIAN OUTDOOR

BT GROUP

Brianzatende s.r.l.

ASSOLOMBARDA

Filiera Attrattività

A cutting-edge company, products of excellence, history and philosophy of the best made in Italy entrepreneurship for 70 years: this is the essence of BT Group.

We're specialized in the creation and realisation of indoor and outdoor spaces, both for companies and for bars, restaurants and hotels. We offer ourselves as a single point of contact, from the design to the realisation of indoor and outdoor spaces.

Every single awning, pergola and bioclimatic is available in different variants, with the possibility of developing exclusive, customised shapes to create or extend spaces that can be lived in all year round.

Custom made is an integral part of the company's DNA, a flagship that, thanks to a totally verticalised production process, succeeds in satisfying the most daring requirements, creating symbolic outdoor projects of excellent quality.
