

# Carlsberg Italia S.p.A.

ASSOLOMBARDA  
Confindustria Milano, Monza e Brianza, Lodi

Filiera Agroalimentare

## Who we are

Carlsberg Italia is the Italian subsidiary of Carlsberg Group, the fourth beer company in the world.

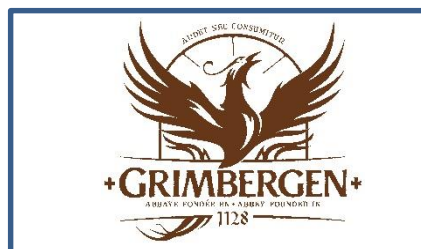

We produce beers of the brand Birrificio Angelo Poretti at our historic Brewery in Induno Olona in Northern Italy.

We currently have 9 brands in our portfolio, in 2011 we have developed a new innovative draught system: DraughtMaster, that eliminate CO2 and extends product shelf-life.
