

Founded in 1980, *Largo Consumo* is the magazine that provided the benchmark for all economics magazines dedicated to retail and consumer goods. It has never stopped innovating, in format and content, extending its readership base to non-food and services sectors.

Renowned for neutrality and in-depth analysis, it is market leader for distribution of the printed edition, certified by CSST. Its Reading Paths on www.largoconsumo.info, allow a vertical experience of markets and channels analysis.
