

ESPRESSO SERVICE S.r.l.

ASSOLOMBARDA
Filiera Agroalimentare

Who we are

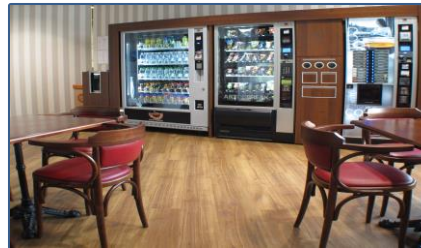

We are specialist provider of coffee machine, snack vending machine, hot drinks vending machine, refreshment, water cooler and food machine.

We have a particular horeca division for restaurants, hotels and pubs.

We are located to serve Milan and Greater Milan, as well as Monza, Bergamo, Lecco, Como, Lodi and Pavia.

We work together with a national group to serve businesses in all Italy.

Established more than 40 years ago, we are leader in vending services with our over 10.000 customers and our 15.000 vending machines.

Product description

Service

Our team is a collection of dedicated professional figures to make sure everything is working fine and all machines are fully stocked.

We offer, with «Linea 360», comfortable and functional custom-made spaces, planned by interior designers.

Products

We provide branded goods, sugar free, gluten free and vegan food. We are ISO9001 and TQS certified and we promote WHP project for the health.
