Grammelot Srl

Academy Service Consultant

Who we are

Grammelot has been a innovation player in e-Learning and training solutions since 1996. Our competence is based on years of experience acquired in Italian and international aerospace market. Today, we apply our skill and solutions in other areas of interest, providing our customers with the most innovative digital content training solutions.

Digital Content

We design and provide interactive and mobile digital content for different purposes:

- Soft Skill training
- Technical training
- Maintenance procedures
- Interactive manuals
- Customer Engagement

We also provide both Content Development tools and Digital deploy platform.
