Food gourmet at home

Palatò Milano is a food delivery brand of the benefit company HOL sbri which represents the solution for those looking for gourmet quality dishes with a ready to heat formula delivered directly to home. In partnership with high quality food and catering producers, every day we create recipes and produce chef's dishes cooked with the low temperature vacuum technique.

The box

Customers can order online a wide variety of recipes that arrive in a box directly at home. Here our customers experience the thrill of unwrapping a small surprise carefully prepared for them by skilled and expert hands, and receive simple instructions to finish and enjoy each dish as if they were in a restaurant.

Everything is ready in 3 minutes with a shelf life of 5 days.
