

(Who we are)

The JVCKENWOOD Group aims to provide products, services, and solutions that realize its corporate vision of “Creating excitement and peace of mind for the people of the world” in the three business sectors: Mobility & Telematics Service Sector, Public Service Sector, and Media Service Sector.

(Product description)

The Mobility & Telematics Service Sector consists of the OEM Business, which provides car navigation systems, dashcams, and other related products to customers through automobile manufacturers and dealers, and the Aftermarket Business, which provides products to customers through mass merchandisers and distributors. We are also developing the Telematics Service Business for automobile insurances by equipping dashcams, which boast top-class performance in the industry, with communication functions.
