

Strategically located near the central high-speed train station of Milan and Gioia subway station, our hotel offers a unique microcosm of Milanese culture, including fashion, food, and entertainment. It is your starting point for discovering the new and old Milan. Piazza Gae Aulenti, the iconic Bosco Verticale, and the renowned Corso Como are nearby—and Il Duomo is just a short ride from the hotel. At Hyatt Centric Milan Centrale, you are never far from the city's top restaurants, nightlife, shopping districts, and attractions.

Inspired by modern design this lifestyle hotel represents a welcoming retreat in the bustling city center of Milan. Our 141 guestrooms and suites feature contemporary custom furnishings, some of them with a terrace that offers beautiful glimpses of Milan's urban landscape.

Our six partially or fully filled with natural light versatile event spaces can be configured for small to mid-sized events, including our stately pre-function area that allows a welcoming space during the event. The event venues are also linked to the upper floor Intermezzo lobby bar and Rivington Restaurant, which allows for seamless catering services. Whether you are looking for meeting rooms or event venues, business and design hotel Hyatt Centric Milan Centrale will exceed your expectations.
