

Milanesi

Design of natural skincare (Mapskin SRL)

Born in Milan, with the desire to create a collection of **effective, natural and luxury products**, aimed at protecting the skin from the action of modern-day aggressors.

We have studied **innovative, high-performing and anti-pollution** formulas, which make the most of the benefits of organic and natural raw materials, 100% Italian.

Retail line

Advanced skin, hair, and body care solutions blending natural ingredients with cutting-edge formulations.

Spa line

Innovative facial and body treatments designed to renew and heal the skin.

Amenities line

Natural and eco-friendly amenities that create a daily chance to unwind and relax, while enjoying high-quality formulas in every hotel room.
