Who We Are

Milan Open Tour is a company founded in 2015 from the union of the experience of Stav Autolinee and Air Pullman, road transport companies present in the Lombardy region since the beginning of the last century. The knowledge of the territory acquired over time, is reflected in the high level of service offered by Milan Open Tour. Our modern and comfortable open buses, give passengers the opportunity to optimize their time and to discover the curiosities and background of the city that will host the Olympic village for the next Winter Olympics.

Product Description

Discover the most iconic and fascinating places in Milan, the city that will host the village of the next winter olympic games in 2026, with the tours on our double-decker buses. Be enchanted by the modernity and the efficiency of the city, comfortably seated on our panoramic buses, listening to the stories and anecdotes of our audio guides.

Get off and take your time to visit Cenacolo, Basilica of Sant'Ambrogio, Science and Technology Museum, Navigli and more, and get on again on the bus whenever you want.

Bad weather? No problems, with our buses you can also enjoy the tour on a rainy day.

Are you ready to discover all the beauties of Milan?
