

Who we are

Openjobmetis was born in 2011 as the result of a merger between Openjob and Metis, two of the most important temporary employment agencies in Italy. Openjobmetis has nowadays over 130 branches, distributed in the most important cities all over Italy. On 3 December 2015 it was the first Italian employment agency to be listed on the screen-based stock exchange, organised and managed by Borsa Italiana S.p.A., STAR segment.

Product description
