

SELTISHUB

The right people.

We bring our experiences and skills in the HR field with the ambition to be innovators in the research of talent.

In doing this we focus on people and companies by offering concrete support to find not only the best candidate, but also the most suitable one. We believe that uniqueness of people, the future of communication and the technology can innovate the search for talent and enhance the change. Seltis Hub Srl is a subsidiary of Openjobmetis SpA.
