# SIMPLIFHY SB Srl

Hydrogen Solutions, Simplified

ASSOLOMBARDA

Filiera Energy Sustainable Global Chain

## Who we are

In Simplifhy we offer strategies and systems for the **decarbonisation of industry**

through deployment of Hydrogen-based technologies as an alternative fuel.

Our plants are **tailored** according to the necessities of each specific project.

## Contacts

Tel.: 351.5977725  
sergio.torriani@simplifhy.it

## Product solutions

We design, build, install and operate hydrogen generation plants, hydrogen storage, gas mixers, refuelling stations, fuel cells.

We deliver decarbonization services in the sector of industry, transport, municipalities, energy generation
