

Sonders Hotels Management is an Italian leader in the Outsourcing Services industry specialized in solutions for five and four stars hotels. With more than 20 years experience in the hospitality industry, by combining our passion for people with the power of customized hospitality, we support hotels to optimize costs and improving the guests' experience.

A single supplier, many services and more time for your core business. With our services you will obtain more benefits: from fixed-to-variable costs based on hotel occupancy, no responsibility for staffing recruitment & bureaucracy, reduction of waste and financial exposure.
