TAURUS SRL

Timeless Bicycles Handmade in Milan

Who we are

Manufacturing high quality bicycles since 1908, we've always been driven by passion and dedication.

A continuous research between tradition and innovation: from introducing rod brakes, to pedal-assisted bicycles, Taurus has always been an innovative company, never losing its traditional style.

Product description

Keeping up with the tradition of Milanese artisans, today Taurus offers an elegant and reliable range of models for the new needs, going from classical to electrical bicycles, never losing its timeless style.

Made by highly skilled craftsmen, our bicycles are defined by the highest quality standards. Always looking for elegance and refinement, our products stand out for the attention to details.
