Triumph Group International

ASSOLOMBARDA
Filiera Largo Consumo

We create experiences that spark emotions and we bring them to life with flawless logistics and technical skills, along with an ever-evolving digital approach.

Innovation, creativity, planning. Ever since we started, 35 years ago, these three words have been the key to the success of every one of our events, including the largest, most complex ones. We envision new, mind-blowing experiences and turn them into high-quality events, across the globe.

Creativity

Communication & Digital Strategy

Project management

Production
