I represent the Industry:	Agricultural machine manufacturing	
Briefly introduce your company	Rostselmash Company was established in 1929. Rostselmash is the largest producer of the harvesting machines in Europe and one of the largest in the World. RSM Group includes several factories all over the World, which produce different types of agricultural machines.	
Briefly describe your products / services	24 types of agricultural machines: combine harvesters, forage harvesters, tractors etc.	
Description of investment project:		
Your target customer (industry...) for accurate matching. Specify your partner you are looking for	The companies who deal with the farmers, selling agricultural machines. The basic products we would like to deliver and promote are combine harvesters. We're searching for partners who are interested in cooperation regarding combine harvesters.	
Types of cooperation (importing & exporting, licensing, franchising, strategic partnerships &	Exporting our products.	

joint venture, foreign direct investment)	
Italian companies, that I would like to visit:
