The International Finance Corporation - IFC is the largest global development institution focused on the private sector, in developing countries. IFC advances economic development and improves the lives of people by encouraging the growth. It achieves this by investing in impactful projects, mobilizing other investors, and sharing expertise.

The webinar aims to engage with Italian companies to facilitate their growth and expansion in emerging markets, with a specific focus on Africa.

10.00 Opening remarks

Letizia PIZZI, Director General, Confindustria Assafrica & Mediterraneo

Ines ROCHA, Director for Europe, International Finance Corporation

10.10 The World Bank Group's support to the private sector
